EDUCATION

MAKAUT University, West Bengal <i>B.Tech in Computer Science and Engineering, CGPA: 7.25/10</i>	2023–2027 Kolkata
Class XII, West Bengal Board of Higher Secondary Education <i>Percentage: 61.2%</i>	2023 Kolkata
Class X, West Bengal Board of Secondary Education <i>Percentage: 84%</i>	2021 Kolkata

SKILLS

Technical Skills:

- **Languages:** JavaScript, Java, SQL
- **Frontend:** React.js, HTML, CSS
- **Backend:** Node.js, Express.js
- **Database:** PostgreSQL
- **Tools:** Git, GitHub, VS Code, Postman, Netlify, Vercel

CERTIFICATIONS

- Full Stack Web Development – Coding Seekho (2025)
- Oracle Cloud Infrastructure 2025 Certified AI Foundations Associate

EXPERIENCE

Coding Seekho — Remote
Web Development Intern

Oct 2025 – Mar 2026

- Developed responsive web pages using HTML, CSS, and JavaScript
- Built RESTful APIs using Node.js and Express.js
- Debugged applications and improved performance
- Collaborated with team members to deliver tasks on time

PROJECTS

Restaurant Menu Management System

Tech Stack: React.js, Node.js, Express.js, PostgreSQL, JWT, CSS

- Developed a full-stack web application for restaurant menu viewing and management
- Implemented role-based authentication for secure admin access
- Built RESTful APIs using Node.js and Express.js with PostgreSQL
- Integrated React.js frontend with backend APIs for real-time updates
- Ensured secure authentication and efficient data handling
- Designed a responsive UI for seamless user experience across devices
- Optimized API calls for efficient data fetching and performance

Personal Portfolio Website

Tech Stack: React.js, JavaScript, HTML, CSS, Vercel

- Developed a responsive portfolio website using React.js
- Integrated a contact form for user interaction
- Enhanced UI with animations and smooth navigation
- Deployed the application using Vercel for fast and reliable performance

Finance Calculator Web App (EMI & SIP)

Tech Stack: React.js, JavaScript, HTML, CSS, Netlify

- Built a finance calculator with EMI and SIP calculation features using JavaScript
- Designed a clean and responsive UI with accurate real-time calculations
- Implemented a modular code structure to improve maintainability and scalability

ACHIEVEMENTS

- Participated in inter-college hackathon and built a full-stack application
- Ranked among the top 5% of the batch
- Completed web development internship successfully
